## Photocopier Engineer - Technical & Networking - West Wales

Milford Haven, Pembrokeshire

Full-time

### *Company Overview*

**Glyn Edwards Office Equipment Ltd** is an independent Office Equipment Dealer. Main product areas include managed print solutions of MFP's, Photocopiers, Printers & Scanners. Office Furniture & Seating, Safes, Stationery & Consumables along with Epos & Cash Registers. A Successful business operating since 1980.

### *Position Overview*

We require an experienced Service Engineer to install, service and maintain mainly colour and mono MFP's across our coverage area along with networking support and training and advice to customers. The ideal Person would live in Pembrokeshire.

### *Required Experience*

Installing, servicing and ideally networking different types of printers and photocopiers/MFP's including Production Machines and other office technology – experience with Toshiba, Develop/Konica, Samsung & OKI ES would be very useful. Any experience with PaperCut and other document solutions also an advantage.

### *Training*

Manufacturer Training is available along with internal and self-training.

### *Salary*

The successful candidate will benefit from a competitive salary (which can be negotiable depending on experience and current circumstances), company vehicle, Fuel Card, Laptop/ipad, Smart Phone. This is a full time, permanent position. Hours of work are generally 08:30-17:00 Monday to Friday.
